

Grades 1-8

A Blended Solution for California Standards-Based:

SBAC ASSESSMENT — INSTRUCTION — ADAPTIVE REINFORCEMENT

Flexible, Connected Digital and Print Programs

English Language Arts, Mathematics,
and Science
Grades 1–8

Standards-Based Assessments for the SBAC

- Create and customize assessments with 65,000+ questions.
- Choose pre-created assessments for multiple grade-levels and standards.
- Use for formative, summative, diagnostic, benchmarking, or progress monitoring.

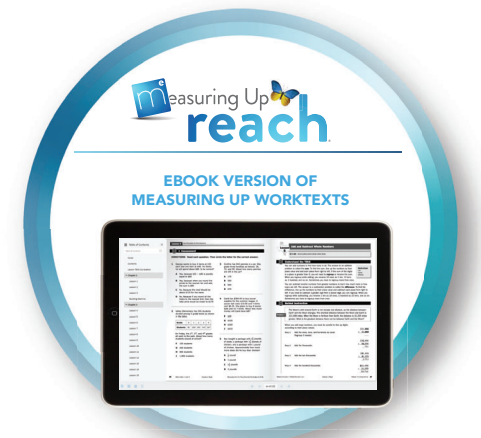

Differentiated, Adaptive, Standards-Driven Reinforcement

- Adaptive practice at Bloom's Taxonomy level
- Teacher-assigned practice or automatically prescribed from *Insight* results
- Corrective feedback, text-to-speech features, and built-in rewards
- Quiz mode and game mode

Written Specifically to the
California Standards for ELA and Math
Grades 3–8

- Lesson features:
 - Objectives connected to prior knowledge to **real-world examples**
 - **Academic Vocabulary** defined in context
 - **Guided Instruction** with modeling, prompts, and more
 - **Independent Practice** to apply learned skills and standards
 - **Exit Ticket** summaries to check understanding
- Teaching suggestions to reach struggling, advanced, and English Language Learners
